Supporting the Ihutai Trust helps us work toward the following 'Ihutai Management Plan' goals:

- Communities working together for the better management of the Estuary
- Healthy Ecosystems are sustained in the Estuary and its surrounds
- Wise management of open space
- Safe and balanced recreation

As a member you will receive:

- 'Our Estuary' Newsletters [approx three times a year]
- Occasional Emails about Ihutai related events and activities
- The satisfaction that your Estuary is being cared for

Please check our website for up-to-date information and online copies of our publications.

IHUTAI is an abbreviation for *Tai ki uta, Ihu Tai maroro*, meaning *Ihu Tai ki uta*, "from the nose of the tide back to the land", *Ihu Tai maroro*, "to where the sea sinks down (on the continental shelf)", interpreted as the place by the sea where food and fibre are abundant.
